## **Desperately Seeking CREW LEADERS**

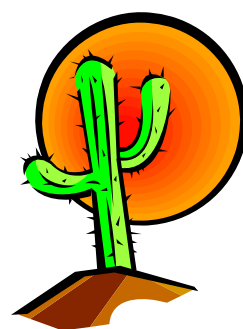

Have you volunteered for more than three trail building events? Do you enjoy leading volunteers, organizing workers, or just plain like telling others what to do? Then you have just the experience we are looking for! The Casa Grande Mountain Trails Project is preparing for another amped up season of trail building and with a record number of volunteers registering for each event we are in great need of additional, enthused crew leaders. Crew Leaders are charged with being the central cheerleaders, demonstrating safe trail building techniques while motivating a small team of 6 to 12 volunteers within an assigned section. Give it a try– call or email Anita Avila if you are interested, [aavila@casagrandeaz.gov](mailto:aavila@casagrandeaz.gov) or call, 520-421-8677, Ext. 4522.
